

Box of Good Fortune

All of us can use more good fortune! This is a box I give to friends for all different occasions and of all ages.

I find the fortunes by googling "Chinese fortunes" and then cut and paste in word. I rewrite many of them and make sure every fortune is positive. Then I just write some of my own.

You will find my fortunes on the next pages.

If I am not giving them to anyone from work, I cut off my website at the end.

So, go give someone good fortune, today!

If you want the rainbow, you must to put up with the rain. www.clockhours.com
